A beautiful mahogany, upright piano for only \$200. We go on record as saying that this is the most beautiful piano ever offered to the people in this State of Vermont for any such money. The terms are very easy. The piano would be cheap at \$300, but we shall sell 25 of them at \$200 each.

Write for catalog and our easy payment plan to Geo. D. Jarvis & Son, Burlington, Vt., the firm that has had 42 years' experience selling pianos. Surely we ought to be a judge of pianos by this time. adv.

The Store that Sells Wooltex COATS, SUITS AND SKIRTS

Salt's Plushes, Arcadian Lamb, Lambtex, Poneytex Fur, Nu-Fur etc. are some of the cloths made by the greatest Fabric Plants that turn out each year thousands of pieces of fabric for women's and children's warm winter coats. Fur coats are becoming scarce and more expensive each year and are fast being replaced by some of the Salt's Fabrics that are warm but much lighter and less expensive and can be made in prettier models than fur. ART LINENS

in white, natural, green, blue, rose, brown. Also all kinds of white linens for Christmas work—at just a little higher prices than old times, but they are real Linens.

We began buying linen the first week of the war two years ago last August and bought all we could possibly pay for just as long as we could get them at any price they could be sold for and that is the reason we have linens now. If you don't think they are scarce just try and buy Real Linens.

B-L-A-N-K-E-T-S

also bought far enough ahead to allow us to offer EXTRA VALUES and while our stock is at least three times as heavy as it would be under usual conditions it is not large enough to last very long and we must pay very much higher prices when we buy again.

BUY BLANKETS NOW AND SAVE MONEY

If you cannot visit the store don't hesitate to call for samples and our MAIL ORDER DEPARTMENT will give just as good attention as you would receive in the store and we will prepay postage on all goods sold at regular prices.
